

# General Meeting of the VDIK in Berlin - Board elections 2018

Berlin. The board elections were held as scheduled at today's general meeting of the Association of International Motor Vehicle Manufacturers.

Reinhard Zirpel was re-elected President of the VDIK for a two-year term by the general meeting.

Uwe Hochgeschurtz (CEO Renault Deutschland AG) was appointed Vice President of the VDIK.

Newly elected to the board:

Peter Hornig (Managing Director Scania Germany GmbH)

Dr. Kolja Rebstock (Managing Director Mitsubishi Motors Deutschland Automobile GmbH)

Wolfgang Schlimme (Managing Director Citroen Deutschland GmbH)

Alain Uyttenhofen (President Toyota Deutschland GmbH)

The board also includes:

Frank Jürgens (Spokesman of the Management Skoda Auto Deutschland GmbH)

Markus Schrick (Managing Director Hyundai Motor Germany GmbH).

The Association of International Motor Vehicle Manufacturers e.V. (VDIK) was founded in 1952 in Frankfurt am Main. Today, almost all general agencies of

international manufacturers represented in Germany with a total of 36 passenger car and commercial vehicle brands belong to the association.
